

**ANNUAL REPORT BY THE HONORARY PRESIDENT ON
THE ANNUAL GENERAL MEETING, 15th OCTOBER, 2016.**

Respectable Members,

Good evening and a hearty welcome to all of you on this important occasion of the Annual General Meeting, 2016 of our prestigious club.

You have elected me as the President in October 2014 and I will briefly summarize our achievements and challenges since the last AGM of 27th September 2015.

Our CELEBRATIONS AND EVENTS are well acknowledged and I briefly enlist the past year's events with details of the 8 Prime Celebration Nights.

The KARWA CHAOUTH & DANDIA NITE in October 2015 featured the famous singer Shibani Kashyap and was extremely popular.

The SUFI NITE in December 2015 had the popular Band Jugal Bandhiyan where members were treated with free alcohol.

The CHRISTMAS CELEBRATIONS were very popular especially within the ladies and children and the evening was full of frolic and gaiety.

The NEW YEAR EVE had popular singer Varinder Vizz enthralling the audience. The décor and food layout was top class and worthy of the name of our Club.

On the Republic day 2016, our Club hosted the 8th Canis Welfare ANNUAL DOG SHOW. Enthusiasts from across the city participated with their pets.

The HOLI MILAN celebrations were a big hit in the month of March, 2016 with singer Raftaar and his band bringing all the fun to the audience.

Popular rapper Honey Singh and other famous singers Guru Randhawa, Roshan Prince & Alfaaz performed at our Club for BAISAKHI CELEBRATIONS in May 2016. The programme was a huge success.

Over and above, our members enjoyed the LIVE COVERAGE of some of the popular CRICKET TOURNAMENTS like T20.

The Flag Hoisting Ceremony on the Independence Day was treated with much respect and aplomb.

The weekly Tambola nights of Saturday are a much awaited event with the members.

The Media has been giving us the due coverage wherein all our highlights have been duly recorded and printed.

Sports are an integral part of our club and are very popular for the development of the mind and the body. The events worth referring are as follows:

The All India Men's and Women's Tennis Tournament 2015 has been a regular feature of our Club and invites players from across the country. Other tournaments throughout the year were also well appreciated.

The G.D. Chawla Memorial Delhi State Ranking Badminton Tournament 2016 was a weeklong tournament in mid February 2016. It invited the best of talent in the city and the finals were fiercely competitive.

Our Swimming Pool is extremely popular with the members and with its awesome size and crystal clear water, it is exemplary and splendid. The opening and closing ceremony were grand and popular. Like in all previous years, our Club's Annual Swimming Competition 2016 promoted the spirit of sportsmanship and was hugely popular. The prize distribution and celebrations were well received and were an affair to remember.

The Yoga event organized by THE ART OF LIVING for five days was also well appreciated by health enthusiasts.

Our members come to the Club to enjoy the food and their drinks.

Our CLUB RESTAURANT AND KITCHEN have been fully renovated. The Kitchen has the latest equipment and a hi tech Deep Freezer Room. The members have appreciated the colorful décor of the restaurant. The new caterer has received a positive response and is constantly improving. It also has a latest music system installed. The Club Kitchen now has a Piped Natural Gas (PNG) Connection and will bring benefits and economy. All in all, the results are heartening and positive and there are minimum complaints related to food quality and pests.

The Gazebo Couple Bar is popular because of the Farm House effect and is always full and in demand.

The General Bar now serves all the popular brands of alcohol and is also very famous and very full at all times. It also serves the very popular Drought Beer which is the in thing now days.

The New Bar adjoining the existing Bar is not in operation and has been delayed as the Excise Department had demanded certain documents. The Fire NOC is now obtained and we shall be getting the requisite license shortly.

The Giani's Outlet in the Parking space has gained popularity and provides economical refreshments.

The Horticulture Department has been performing well and our Club's flora, fauna & greenery are omnipresent.

Our Gazebo near the Restaurant is now available to its members on rent and has been in demand regularly.

INFRASTRUCTURE DEVELOPMENT is the backbone of the growth of an institution. Mentioned below are some of the noticeable achievements of the year.

The entrance Lobby of Badminton and Skating has been merged and is now very modern and swanky.

The New Building near the Swimming Pool will be a Sports Center and will take our Club to new heights with a covered area of 22,000 Sqft. Besides having the best and biggest Gymnasium spread on Two Floors, it will also have a Luxurious Spa & a Hi tech Auditorium & Convention center.

The Guest House Building near the New Bar will also be ready shortly. It will have fifteen fully furnished Rooms along with a reception area. It will be covered with CCTV and have gardens on both sides.

Our Club Lobby & Porch area is being renovated and will be of world class quality when completed. The reception and cash counter will also be upgraded and made useful and presentable.

The Club Boundary wall height has been raised along the entrance, ring road and rear area and this has brought relief and comfort to regular walkers.

The sports facilities on the first floor of the restaurant will be relocated to alternate venues. This area will be exclusively developed for Banqueting Facilities of various sizes. This venue will have a separate entry and will not interrupt the regular Club members.

We are in the process of getting our Existing Building Regularised and once the New Building Plans are sanctioned we have big plans for the Lawn No 1 of the Club. It will have a prefabricated building with an approximate proposed area of 70,000 sqft. This place will be designed for multi utility purposes like Banquets, Auditorium etc and will have a stilt parking.

Our Club entry control is the need of the hour. Only Club Members holding Smart Cards will be allowed to use the facilities and we intend to be very strict and disciplined on this issue.

And so members who have not yet got their smart cards made must do so urgently. Data Updation Forms are readily available and need to be filled up.

Members must take payment of Club Subscription seriously. We have been much disciplined with recovery of arrears and chronic defaulters have been struck off Club records. We intend to peruse the same with strictness.

There is demand for new sports facilities and the same shall be considered positively.

Reciprocal Affiliation with reputed Clubs is high on our priority list. The same shall be done effectively once our Two Buildings under construction are completed.

I deeply thank all my Sub- Committee Conveners and their supporting Teams for their untiring efforts and constant participation.

Our Club staff is disciplined, hard working and exemplary & need a special word of thanks.

I thank all of you for being here and request your support in making this club the best in the world.

Jai Hind.

Dr. Sushil Kumar Gupta – President.
